DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. Cindy Nicholson on 22 August 2005.

The application has been amended as follows:

In the Specification:

On page 14, lines 13 and 14, please amen as follows:

Although the QR code indicator 14, as a memory for memorizing

the indication deviation data, provides the QR code as a kind of... (there are commas added after designator 14 in the line 13 and after "data" in the line 14.

In the Claims:

-Please cancel claims 8 and 9

Allowable Subject Matter

Claims 1-7 are allowed.

The following is an examiner's statement of reasons for allowance: The meter unit having two separate memories where an indication part has a first memory that memorizes a first deviation data and a control part with a second memory to memorize

a second deviation data, in combination with all other limitations of the independent claim is not disclosed nor deemed obvious in view of the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The examiner has cited references that are deemed relevant to the general state of the art of the present invention.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rodney T. Frank whose telephone number is (571) 272-2193. The examiner can normally be reached on M-F 9-5:30 p.m. EST.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Hezron E. Williams can be reached on (571) 272-2208. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
